## About the Ministry of Health

In 2013, the Ministry of Public Health and the Ministry of Medical Services were merged to form the Ministry of Health in 2013. The Ministry of Health is the national body that aims at providing equitable, affordable, accessible and quality healthcare for all. Our mission is to build a progressive, responsive and sustainable healthcare system for accelerated attainment of the highest standard of health. For more information visit: <https://www.health.go.ke>
